

Soalheiro Espumante Bruto Alvarinho 2015

The Alvarinho grapes used in the Soalheiro came from several small vineyards planted in granite soil between 100 and 200 meters and located in a very particular microclimate. Melgaço region, the northern point of Portugal, is protected by a range of mountains that create the perfect conditions of rainfall, temperature and number of hours of sunshine needed to the better ripeness of the Alvarinho grapes. The brand name – Soalheiro – arises from the excellent sun exposure of the vineyards bearing the same name – a sunny place.

Soalheiro 2015 – a perfect and consistent vintage.

The summer months and specifically August had moderate temperatures and cool nights that favored a slow maturation and the concentration of the varietal aromas on the grapes. The beginning of September dry contributed to a perfect balance in the Alvarinho.

In 2015, flowering occurred two weeks later than last harvest, because of the little precipitation in winter. This year we began the harvest on the first week of September to maintain usual freshness in the Soalheiro. Soalheiro Alvarinho 2015 is a wine in our style, elegant and intense.

Vinification

The improvement of a sparkling from Alvarinho requires careful selection of grapes. The resulting must from this selection ferments with controlled temperature, yielding the base wine for sparkling. This wine suffers in the bottle a second fermentation. The stage in the cellar with low and constant temperature for several months allows this sparkling to show all the elegance of Alvarinho. Finished this phase of fermentation and aging, we proceed to the disgorging, operation that allows the elimination of existing yeast in the bottle and replace the provisional metal stopper for the typical sparkling cork.
